Support education, creativity and a strong, vibrant community

Every day, teachers, school administrators and nonprofit directors request financial assistance to provide access for the children they work with to come play and learn at Mid-Michigan Children's Museum.

By minimizing financial barriers to play, our **Access for All** initiative helps children have the opportunity to discover and explore our unique, hands-on museum designed just for kids.

As a 501(c)(3) nonprofit organization, Mid-Michigan Children's Museum relies upon meaningful and generous sponsorships to make play possible.

Through your generosity, the sponsorship opportunities listed below can support our community's children:

\$300 Family Sponsorship – It doesn't take much to sponsor a day of play for 10 families served by community agencies. Make it possible and you will put smiles on the faces of children and their families.

\$500 Camp Sponsorship – Kids love our day camps! You can fund 10 camp scholarships and make camp possible for families that may not otherwise be able to afford it.

\$1,000 School Sponsorship – Help move learning out of the classroom and sponsor five field trips. Not only does this sponsorship guarantee access, but it helps cover transportation costs.

\$2,500 Community Enrichment Day – Give back to the entire Great Lakes Bay Region by sponsoring a Community Enrichment Day. We will open our doors and waive our admission fee for the whole day. Plus, we will make sure that your sponsored community day is well publicized through media releases, social media posts and newsletter recognition.
