Help bring the Round Island Lighthouse Gallery to life by joining Mid-Michigan Children's Museum's(MMCM) Peer-to-Peer fundraiser. What is Peer-to-peer fundraising? It's a fun way to support MMCM by inviting others to join in. You create a personal fundraising page, share why the museum matters to you, and ask friends and family to make a gift. Every donation helps bring the new Round Island Lighthouse Gallery to life! You can share your page by email, text, or social media, and watch your fundraising progress as your community gets involved. Every gift, large or small, helps bring us closer to building the new gallery.

How to set up your page:

Click Register

Either click "Individual" or "Join or Start a Team"

If:

Individual: enter your details and click "Next."

Joining a team: Either type in or search for your team and click "Join."

Starting a team: Enter your team name and goal and click "Save team.

Then, follow the prompts until you get to your giving dashboard.

When ready:

- Share your page by link by email, text, or social media
- Use the supplied media resources (flyer, QR code, image, and banner)

Gifts made through your page will help make this community-built gallery a reality.
